B.D.E ALPHA TIGERS

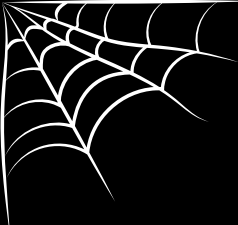

What makes college a unique and amazing experience is the fact that it is the place in which most of you live your best adult years, and THE ALPHA TIGERS have made it even easier for you to have the best time and create along with you many fun and unforgettable memories, friendship, fun, freedom, these are a few words ethics that we follow as a team to be able to come up with the best events for our CEFAMILY.

INTERNATIONAL STUDENTS

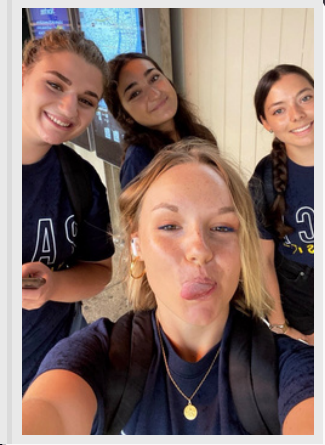

International students surprise and amaze me every semester. They consistently add so much to our student body by bringing new perspectives, ideas, and kindnesses.

The biggest motivator for me in my job is seeing our students building relationships regardless of each other's origins, which leads to the breaking down of barriers and immense growth.
